

## American Idols: Success

- I. A review of what constitutes an idol.
  - It must be made or created by man
  - It must be central to your life and its absence cannot be tolerated.
  - It consumes your thoughts, your time, and your resources.
  - You gain significance and comfort from it.
  - It crowds out your obligations to the true God.
  
- II. What is success and who defines what it is?

Matthew 25:14-30
