

How God Leads His People Exodus 13:17-14:20

I. God does not always take us by the way of _____ (Exod. 13:17-18; 14:1-4)

- Sometimes it is because of our particular needs
- Sometimes it is to fulfill God's sovereign plans.

II. God reveals the _____ and the _____, but rarely much else (Exod. 13:11, 18-22)

- Obeying what we already know leads to God revealing more.
- Taking the next step leads to God revealing the step after that.

III. The presence of _____ and _____ does not mean we missed God's will (Exod. 14:5-12)

- We should expect those who oppose God to oppose us if we follow God's will.
- We should expect that following God's will requires us to trust God.

2 Corinthians 11:23-27

IV. God does _____ his people from _____ (Exodus 14:13-20).
