

## How Did We Get Here?

I. Three options for how the universe came into existence.

A. The universe is eternal. It has always existed.

B. The universe came out of nothing.

C. Something caused the universe to come into existence.

**<sup>18</sup>For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men who suppress the truth in unrighteousness, <sup>19</sup>because that which is known about God is evident within them; for God made it evident to them. <sup>20</sup>For since the creation of the world His invisible attributes, His eternal power and divine nature, have been clearly seen, being understood through what has been made, so that they are without excuse. Romans 1:18-20 (NASB)**

**<sup>1</sup>In the beginning God created the heavens and the earth. Genesis 1:1 (NASB)**

D. Supporting evidence shows the Earth is uniquely designed to support life.

II. Two theories for the existence of life.

A. Naturalistic, undirected evolution

B. Special creation- Genesis 1-2

C. Evidence for special creation.

III. Logical consequences for each theory.

A. Evolution.

B. Creation.
