Why Abortion is a Sin

1. Pastor Mark mentioned three common justifications for abortion: A woman has a right to her body, to reproductive freedom, and a right to choose. How would you answer these justifications? What are some of the other justifications given for abortion and how would you answer them?
2. Why is loose constructionism, the ability to interpret ancient documents in light of changing morals and standards, a problem in regard to the Constitution? Why would it be a problem in regard to the Bible?
3. What is the problem with viability being the standard that defines who is legally a person?
4. Which Biblical arguments against abortion did you find the most compelling? Why?
5. Do you agree with the concept of a single issue voter? Why or why not?
6. How would you respond to a woman who shared she had an abortion or a man who supported a woman having an abortion?
7. What have you done in the past to support the prolife cause?
